Our Pastors

PASTOR STEVIE ROBINSON

Pastor Steve explains, “When one gives to the poor, it is the best spiritual and financial security that one could have. This investment ensures that financial well-being is granted by God who gives us all things. It ensures that we will have what we need when we need it. More importantly, the real treasure is getting into God’s government/kingdom, by giving to the needy.”
This concept made Pastor Stevie aware that when giving to the poor, we are giving to God Himself. It makes us truly able to wear the title of a servant, which can only come from God to you. The people on the receiving end do not praise you they praise God! God does not dwell in temples made by the hands of men; he lives in us.

BROTHER NEHEMIAH

Brother Nehemiah was born in Akwa Ibom State Nigeria. He is a father, husband, son, author, and spiritual and biblical counselor. Professionally, he is a business counselor and real estate investor. He enjoys spending time with family and friends, and he is an avid reader. A humanitarian and counselor in spirit, his degree in social work and sociology supports his natural care for promoting human welfare and helping society improve. Through extensive research and studies, Nehemiah has seen the power of extraordinarily simple steps and proper understanding of the Word of POWER, while being mentored by some of the world’s best scholars.

OUR GROWTH

Today, Preacherhead Ministries (PHM) has grown and continues to do the work it set out to do in the beginning, which is preaching the gospel of the coming kingdom and serving the poor and needy. PHM volunteers see the necessity of the work of caring for the poor and needy, and they have grafted themselves into this vine of service.

Chicago's Operations

THE CHICAGO OPERATIONS TEAM

What does the Chicago Operations Team do? PreacherHead Ministries Chicago Operations Team feeds 100 Homeless Poor & Needy each month, 1,200 per year. This monthly outreach program provides resources for the poor and needy in various communities, including food, clothes, toiletries, and housing assistance.

What have we done? The team has built a process designed to acknowledged locations that identify as a food deserts, underserved or where heavily populated homeless communities exist.

We have acquired larger storage space in Gary IN, through a partnership with Israel the Church of Jesus. This storage space is one of many collaborations the fellow organizations work in partnership on together.

Partnerships

We are partnered with S.A.G.A. Empowerment Services Coalition NFP; Israel Church of Jesus, Indianapolis, Indiana; PreacherHead in Houston; M25:35 Dallas, Texas. Indiana; House of Jacob, Peoria. Shower-up, Chicago and other organizations that provide services and resources to the homeless in their respective cities. The mobile team has built its monthly outreach to include up to 14 volunteers some months.

Our goal for the year is to complete a Policy & Procedure Manual and help to build PHM Clothing & Food Dispensary, establish give-a-way teams in Los Angeles, La Vegas, Atlanta & Belize. This year we will incorporate motivational music into the monthly events and solicit donations items from partnering businesses and organizations. We will be organizing the storage location space, making it operational and sightly during the spring and summer. Our goal is to also conduct two giveaway events per month doubling the number of homeless we serve.

HOUSTON, TX
OPERATIONS

PreacherHead Ministries in Houston

Conducted three homeless outreach events during the past year. We provided over 100 individuals with food, toiletries, blankets, and clothes.

Filling in the Gaps during Natural Disasters

Our team provided emergency supplies for victims of Hurricane Irma. We gave evacuees a hot meal, food, water, and other necessities. We paid for several evacuees' hotel accommodations because they were denied by FEMA and other organizations.

Partnerships

The Houston Operations Team partnered with Bro Ron Burnett and his students at San Jacinto North to conduct another giveaway. We have a great team of volunteers working with the Houston Outreach Team.

Goals

The main goal for the upcoming year is to increase the frequency of the outreach we conduct in Houston to at least 6-8 events. We are currently searching to partner with an organization to provide showers for the homeless in our city. Additionally, we will complete the TX tax exempt process so that we can help our dollars go further. We will also build a marketing team to properly advertise our give-away events to the public.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Members of the Board of Directors
Preacherhead Ministries, Chicago, Illinois

We have reviewed the accompanying financial statements of Preacherhead Ministries (a nonprofit organization), which comprises the statement of financial position-modified cash basis as of December 31, 2020, and 2021, and the related statement of activities-modified cash basis, statement of cash flows and statement of functional expenses – modified cash basis for the years then ended, and the related notes to the financial statements. A COMPILATION includes primarily applying analytical procedures to management's financial data and making inquiries of organization management. A COMPILATION is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

(a)Nature of Activities

The mission of Preacherhead Ministries, Inc. is to preach the Gospel and care and provide for the needs of the poor. Members, in return, provide financial assistance through monetary donations.

(b)Standard of Accounting and Reporting

The financial statements of the Preacherhead Ministries are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP) in the United States of America. The modified cash basis differs from GAAP in that certain revenues are recognized when received rather than earned and certain expenses are recognized when paid rather than when the obligation is incurred. Shortterm items are recorded when cash levels change, meaning that nearly all elements typically on an income statement are recorded using the cash basis and accounts receivable are not recorded on a statement of financial position. The Preacherhead Ministries does not record depreciation and typically does not capitalize assets outside of major expenditures.

(c)Net Asset Accounting

Preacherhead Ministries classifies revenues and contributions, expenses, gains and losses into two classes based upon the existence or absence of donor restrictions.

Net Assets Without Donor Restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the organization, the environment in which it operates, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of operations.

Net Assets With Donor Restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; the organization must continue to use the resources in accordance with the donor's instructions.

When a donor's restriction is satisfied, either by use of the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Upon fasting, He may use us as tools to strengthen and empower others, making us laborers in His vineyard. Fasting is a way to demonstrate to God, and ourselves, that we are serious about our relationship with Him. It is a way of refocusing on ourselves and putting it back on God. Fasting is meant to give us a spiritual breakthrough. The Supernatural Power of Fasting & Prayer provides readers with a tools for spiritual breakthrough.
